Beat me
Beat me anyway you want
Beat me up, beat me down, beat me silly

Why don't you hurt me
Hurt me now where it's gonna hurt the most
Hurt me here, hurt me there

Call me
Call me back, call me now
Call me later call me anything you want
Do you hate me

Cause i bash britney spears
Play the queers went to burger king for lunch
Kick me
Kick me back to wherever i was found
Kick me right kick me now

Do you love me
When i talk like an ass
Smokin' grass talkin' trash brings you down

#1 procrastinator
I've got nothin' to do
I've got nothin' to say

But i'll say it to you later

#1 procrastinator

I've got nothin' to do
I've got nothin' to say
I've got cash, credit cards,
Are you open
Got a car it's parked right around the block
Will you love me

Stick you hands down my shorts
Down in front you'll do anything i want

Beat me
Hurt me
Call me
Why don't you fuck me
