Don't say goodnight
Cuz there's no tomorrow.
You gotta fly, and we'll never have this moment again.
Standing on the Edge, on the Edge of something; I see
it when I look in your eyes.
Baby take my hand cuz it's all or nothing; this could be
the greatest goodbye.

Baby Tonight,
I'm gonna kiss you like the end of the world, end of the
world
Yeah, tonight, we're gonna kiss like it's the end of the
world, end of the world
It's quarter to one,
Tomorrow is callin'.
Soon you'll be gone, And will we ever be together
again.
Standing on the Edge, on the Edge of something; I see
it when I look in your eyes.
Baby take my hand cuz it's all or nothing; This could be
the greatest goodbye.

Baby Tonight,
I'm gonna kiss you like the end of the world, end of the
world
Yeah, tonight, we're gonna kiss like it's the end of the
world, end of the world
Ooh, Ooh, We'll make the moment last forever,
Cuz baby tonight, were gonna kiss like it's the end of
the world, end of the world
Oh, Oh, Oh, Yeah-yeah we're standing on the Edge, on
the Edge of something.
Yeah, Yeah, Yeah Baby take my hand cuz it's all or
nothing.

Baby Tonight,
I'm gonna kiss you like the end of the world, end of the
world
Yeah, tonight, we're gonna kiss like it's the end of the
world, end of the world
Baby Tonight,
I'm gonna kiss you like the end of the world, end of the

world

Yeah, tonight, we're gonna kiss like it's the end of the
world, end of the world

Ooh, make the moment last forever

Baby Tonight,

I'm gonna kiss you like the end of the world, end of the
world.
