Dont know your number,
I didnt get your name.
But you left me here wondering if ill ever see you
again.
Head was spinning round feet were off the ground,
Didnt notice you leave.
Holding one regret,
things i never said
cause i can hardly speak

CHORUS!

Dont want to wait
And i cant rewind
im losing my mind
watching the days
turn into nights
And i cant close my eyes,
cause i cant help thinking
all i need is one more first chance.

I still remember those pretty green eyes,
smiling right at me so why didnt I,
introduce myself
come on spit it out
this shouldnt be so hard
what a second guess i just cant forget,
how beautiful you are.

CHORUS!

Dont want to wait,
and i cant rewind
im losing my mind
watching the days
turn into nights
And i cant close my eyes
cause i cant help thinking
all i need is one more first chance.

Oooh,Oooh,Ooohh
Oooh,Oooh,Ooohh
Oooh,Oooh,Ooohh

CHORUS!

Dont want to wait
and i cant rewind
im losing my mind
watching the days
turn into nights
and i cant close my eyes
cause i cant help thinking
all i need is one more first chance.
