Hey girl tonight we got it goin' on  
You and your best friends and all of their friends  
should come along  
We're gonna turn the music up for a minute  
Gonna rock the house and you should be in it  
So that you and I can vibe to your favourite song

Were gonna jump up jump up cuz it's the weekend  
Jump up jump off into the deep end  
Get up get up forget about everything

We're gonna raise this roof gonna rock the basement  
Shake this house till it just can't take it  
Cuz tonight tonight we're gonna push the walls  
Gonna bend these floors gonna touch the ceiling  
Play it loud till the neighbours screamin'  
Cuz tonight tonight we're gonna push the walls  
Tonight we're gonna push the walls (Woah oh Woah oh)  
x2

Hey girl you know I love to make you smile  
Ya I been waitin' anticipatin' for a while  
Now I just wanna hang wit'you for a minute  
You rock my world I'm so glad you're in it  
And I really hope you make it out tonight

We're gonna raise this roof gonna rock the basement  
Shake this house till it just can't take it  
Cuz tonight tonight we're gonna push the walls  
Gonna bend these floors gonna touch the ceiling  
Play it loud till the neighbours screamin'  
Cuz tonight tonight we're gonna push the walls  
Tonight we're gonna push the walls (Woah oh Woah oh)  
x2

Ain't no party like a big house party everybody in the  
house don't stop  
Ain't no party like a big house party everybody in the  
house don't stop

So Jump up jump up cuz it's the weekend  
Jump up jump off into the deep end

Get up get up forget about everything

We're gonna raise this roof gonna rock the basement  
Shake this house till it just can't take it  
Cuz tonight tonight we're gonna push the walls  
Gonna bend these floors gonna touch the ceiling  
Play it loud till the neighbours screamin'  
Cuz tonight tonight we're gonna push the walls  
Tonight we're gonna push the walls (Woah oh Woah oh)  
x2

I said jump up jump up jump up  
Jump up jump up jump up  
Jump up jump up jump up were gonna push the walls

I said jump up jump up jump up  
Jump up jump up jump up  
Jump up jump up jump up were gonna push the walls  
Tonight we're gonna push the walls!
