oh my god
i'm confused
i want to go punk
but theres way to many rules
pardon me
mr. punker
i'm looking for some insight
on the core that's right for me
so tell me please
i'm on my knees
i like my beer
i like my steer
i don't want any holes in my face
i'm no oueer
i bought some docs
black flag rocks
like to mosh and crowd surf
i want to be unusual i wanna be punk rock
i want to be unusual i wanna be punk rock
should i be emo
and just cry

maybe i'll go skacore
and skank until i die
how about hardcore really hardcore
i fucking hate that metal shit
sober vegans you all suck
so what's your core
stupid whore
must be a riot girrrl
but you're not yery funny
hey nice tatoo
use some shampoo
rice cakes & soymilk
go sid vicious
skacore
snow core
hardcore
homocore
albacore
can't take it any more
mycore

your core
thiscore
thatcore
one core
i can't take it
