So, you think you're kung fu's pretty good, eh?

I want to fight your brother

Him, against me

Let's kung fu!!

The smoke is clearing you can see

Peter and Paul Stanley

Kareem and Bruce they've made a truce

While Ace and Gene took PCP

A flying kick right through the air

His foot got stuck in Peter's hair

Ace and Gene took on Kareem

But slipped and fell in afro sheen

Then Bruce yelled out "Oh Boy"

I think he meant "La Choy"

Kareem and Bruce don't miss when throwing stars at  
KISS

Gene now has a shorter tongue

They should have used their love gun

Gene and Ace escaped today

They'll live to fight another day

Oh, oh my god

Ancient Chinese secret sent by Buddha

Blah...

Bruce and Kareem out shooting baskets for two points.
