on a Tuesday afternoon  
my mom came in my room  
and said, "Get the fuck up out of bed,  
and get a God damn job."  
So I told her  
"Hey, hey, fuck you mom  
and I threw the phone at her head  
but I missed and hit her in the snatch  
so I slammed the door in her face!  
don't ever barge in my room  
or I'll kick your ass  
and call the cops  
and tell them I am abused  
and you'll wind up in jail  
while I snowboard in Vail  
no one to post your bail  
'cause daddy loves me more  
he says that you're a

You're worthless,  
You're lazy

You're stupid  
A little overweight  
Now gimme 20 bucks  
Mommy you're so worthless  
You're lazy  
You're stupid  
A little overweight  
Now gimme 20 bucks  
Now make it 50, bucks  
now Mom writes me letters  
I write return to sender, let her  
rot there in her cell  
I watch the dogs mate on her bed  
sorry Mom, I had to pawn  
your china, silver, and all your jewelry  
I had to eat  
AND RENT A BUNCH OF PROSTITUTES LIKE YOU!!
