I don't mind if you tie me down and fuck me all night
long
I don't mind if you straddle my face and sing your little
song
I don't mind if you claw my flesh with your manicured
nails of glass
I don't mind if you know the truth your just another nice
piece of ass

I need my sexual abuse
Gotta have my sexual abuse
Come and get your sexual abuse
Take my sexual abuse

I don't mind if you eat my meat just as long as you
swallow my load
I don't mind if you get real wild while I'm cummin' deep
in your throat
I don't mind if you go insane with your bloody puss on
my chest
I don't mind if you squeal out loud while I eat you better
than the rest

I need my sexual abuse
Gotta have my sexual abuse
Come and get your sexual abuse
Take my sexual abuse

I see you standing there
Oh, you look so fine
I swear I think you're on fire baby
I think you get me high
I think you know what I want
And more than that, I think you got what I need
I know about your luck, honey
You just wanna fuck

I don't care if you're afraid
Down on your hands and knees on the floor
I don't care if you squeal in pain
As I penetrate your back door

I don't care if you take your drugs
Just as long as you don't take mine
I don't care if we burn in flames
As I bang out your womanly fire

I need my sexual abuse
Gotta have my sexual abuse
Come and get your sexual abuse
Take my sexual abuse

I need my sexual abuse
Gotta have my sexual abuse
Come and get your sexual abuse
Take my sexual abuse
My, my, sexual abuse
