i got a boat and named her dicky moe  
she's a beauty a real treasure trove.  
i've read the manual now i'm ready for the sea  
chart a course - erotic ports for dicky moe and me  
boating's unpredictable  
and traveling gives you lice  
day 1 i was okay, no trouble in my log  
if the fishing gets much worse  
i'll have to eat my dog  
day 19 i'm standed in peru  
boating's fun - the blazing sun - evaporated food  
boating's unpredictable  
and traveling gives you lice  
my spanish sucks, the people stink, i'm starting to fit in  
we played some soccer and they let me win  
adios amigos from dicky moe and me  
now i've got the worst case of lice you've ever seen  
i've got lice [x4]
