"Under My Skin"

Visit "[Under My Skin](#)" on MotoLyrics.com

You're under my skin like needled and pins

You really start to bug me

But there is no end

You're a bad bad drug

Like the one you're hooked on

Trying to addict me but something's gone wrong

You're under my skin like needles and pins

You're a pea brained monkey that shouldn't have a name

You want to be a psycho

Want to cause some pain

What do you want me

Cause I don't want you

Why do you hang around when you know that I don't like you?

You're under my skin like needles and pins

Through my skin

In my veins

From my arm

Into my brain

You cause me nightmares

But cause no pain

It's only because I know your game.
