Chopsaw Sodomy

First I'll take off limbs

Remove all extremities

Skull splits

My blade

Enters the brain

Orgasmic

Torture

Further penetrate

Enjoy watching puss

And blood

Spill

Move toward

The torso

Severing the breast

Ripping chest plate

Exposing her entrails

Sodomized by my chopsaw

Left over

Pieces of a fucking corpse

Mangled

Cold

And

Fermented

Let the

Decaying pieces ooze

Uuu

Cold

Cold and fermented

Sodomized and

Jizzed on

Uuu

Cold and fermented

Sodomized and

Jizzed on

Sodomized by my chopsaw
Left over
Pieces of a corpse

Deeper inside
The last cut tears
Off the spine
Think I might puke
Chopsaw
Makes one of you
TWO!

Eeeeewwwww

Wiping the shit off my saw
Evidence all over the walls
She was dissected with ease
My saw as brutal as me
