Yo check this, I miss the chicks dancin' on the dance
floor
Kick that one time

Uh, uh, uh, I wanna, you flaunt it and we do it real slow
I wanna, you want it and we do it some more
I wanna see you on my bedroom floor while I hit you wit'
tha scream
'Til you scream no more

I wanna see you in the seat of my Porsche
Got the navigation this system stays on course
And of course, you know I wanna see you every week
'Til we freak to every T.R. beat

I wanna, see you in my see-through floor
While I'm layin' in the bed through the ceiling, is it cool?
I wanna, know, but did she really know
She got a menage-a-trois guy from head to toe

I wanna, see you wit'tha rest of your tapes
So I can bring 'em to my brother, let him see what I
mean
I wanna hit it, so she know I was there
So when the next cat come, girl he know I was there

I wanna do it, do it, do it
I wanna do it, do it, do it
I wanna do it, do it, do it
So when the next cat come, girl, he know I was there

I wanna do it, do it, do it
I wanna do it, do it, do it
I wanna do it, do it, do it
So when the next cat come, girl, he know I was there

Yo, now can you meet me and your teddy at my condo?
I got the fireplace, candlelight and stereo
We got it rockin' but nobody else here it go
So when I go low, you can scream loud, yo

I wanna be that brother hoppin' out your birthday cake

It ain't your birthday but baby I won't play hate
But can you see us in the back in the pool?
No water in the pool but she's wet, hot and cool

And now we thirty thousand feet in the air
I got you on the jet doin' it and pullin' your hair
And it's a shame it ain't no room in first class
But we gon' make it happen baby, just don't spill the
glass

I want one wish just to get with you
On every corner, smashin' true
Uhh, ask Guy, they gon' tell you the same
I wanna do it, 'til I do it, 'til I blow the brain

I wanna do it, do it, do it, do it
Do it, do it, do it, do it
Do it, do it, do it, do it
Uhh, 'til I blow the brain

Do it, do it, do it, do it
Do it, do it, do it, do it
Do it, do it, do it, do it
Uhh, 'til I blow the brain

I like it 'cause nobody else knows, I like when you touch
your toes
I like how you lick your lips, come out your lingerie and
twist your hips
Never ever play for keeps when the time is right,
spread love wit' my peeps
I like it how everything goes, nice and slow, up and
down, hey yo hey yo

I wanna, I wanna hear ya yell, "Pirate! Ahoy!"
While I bring it from the back, Teddy givin' ya joy
I wanna, I wanna see you at the top of my ship
Pirates watch buckles and you know she wit'

I wanna, I wanna bounce wit' your eyes on the island
I wanna switch up styles while we study profilin'
I wanna, know, now did you know my lingo?
When I yell, "Let ho", that mean baby let's go

I wanna poke it to pull like a Roy Jones 'bout
So when she step into the room her body knockin' ya
out
I wanna chill wit'cha just, chill wit'cha
Guy, Teddy Riley, Aaron, Damion, Guy, get the picture,
what

We live, procraste in the dark
Got a girl in my room, she tryin' to tear the room apart
But I'm a pirate, why she actin' all brave
Ahoy, baby get ready I'm 'a sail your waves

I wanna do it, do it, do it
I wanna do it, do it, do it
I wanna do it, do it, do it
Ahoy! Get ready I'm 'a sail your waves

I wanna do it, do it, do it
I wanna do it, do it, do it
I wanna do it, do it, do it
Ahoy! Get ready I'm 'a sail your waves
