Baby we can Swing it  
But u better make up your mind  
I gotta Get With You  
Gonna make u sweat  
I can't wait just to make u wet  
And If get with u  
Can't forget the crew  
So u can get your girlfriends  
And I'm gonna get u  
I'm gonna get u

### CHORUS

I want Get With You  
I want Get With You  
I want Get With You  
I want Get With You

### RAP

I wanna get with u  
Tell me is that much to ask for  
Nothing more than spare minute  
I got time, If u wanna get with it  
Whatever u want I'll get it  
I got cash now help me spend it  
Don't worry if u broke I'll fix it  
Like a flat then blow u up wicked  
Got the ingredients u need me to mix it  
So baby let me go to work  
I'll show u how I go to work  
Have the whole thing sewed up like a shirt  
Give me a chance to show u  
Spend some time, I need time to know u  
We're in like the new Jack Swing

Until it's Through  
I wanna get with u

U got what I want  
You're so fine  
I cannot Front  
On my knees  
Beggin u Please  
I would do anything in the world  
To get with u

RAP

Let me freak u, freak u girl  
I f u think u can rock my world  
Bring all the girls 2 the men with clout  
Then we'll see who can bust who out  
If I had the chance 2 get with u  
There's nothing in the world that I can't do  
Say we get together tomorrow at two  
I wanna get with u, Ummm!

CHORUS
