Sweetheart, Iâ€™ve been tryinâ€™ so hard to get over you
Just simply canâ€™t
â€™Cause the love we shared through the years
Meant so much to me
All Iâ€™m lookinâ€™ for is just a serious relationship
Someone I can hold all my life
Why donâ€™t you give me that commitment
Letâ€™s settle down
Letâ€™s chill
Donâ€™t be afraid me
Iâ€™m the one that is scared
But I promise everything will be alright
Come closer
Let me talk to you
Letâ€™s chill
(Ho, ho, baby, hey...hey...)
Letâ€™s chill
(Letâ€™s chill, baby)
From the first time I saw your face
Girl, I knew I had to have you
I wanted to wrap you with my warm embrace
Visions of your lovely face
All my love is for you
Whatever you want I will do
Youâ€™re the only one I want in my life
For you Iâ€™ll make that sacrifice, ho
Letâ€™s chill
Letâ€™s settle down (Thatâ€™s what I want)
Thatâ€™s what I wanna do (Just me and you)
Just me and you (Baby)
Letâ€™s chill (Letâ€™s chill)
Letâ€™s settle down (Come here, baby)
Thatâ€™s what I wanna do (Thatâ€™s all, thatâ€™s all)
Just me and you
Iâ€™m so happy to have you here
Standing right by my side
Is it a dream or reality
If itâ€™s a fantasy, please donâ€™t wake me
All my love is for you
Whatever you want I will do
Youâ€™re the only one I want in my life
For you Iâ€™ll make that sacrifice, so baby, letâ€™s

Let's chill (Let's chill)
Let's settle down (Settle down, baby)
That's what I wanna do (That's all I want to do)
Just me and you (Ho)
Let's chill (Let's chill, baby)
Let's settle down (Oh, oh)
That's what I wanna do (I want to do)
Just me and you
Come here, baby
Come lay next to me
Let's forget about the past and think about the future
Let's get together, baby
Let's stay together
Ho...oh...let's chill, baby
Let's chill
Let's settle down (Settle down)
That's what I wanna do (All in my mind)
Just me and you (Is to be with you, baby)
Let's chill (So let's chill)
Let's settle down (Come on, baby)
That's what I wanna do (That's all I want to do with
you)
Just me and you
Forever and ever
Ever and ever
Ever and ever
Always
Forever and ever
Ever and ever
Ever and ever
Always
