Annabelle,  
My little sunshine  
Things have changed  
It's been a long time  
You know we had our moments  
And now it's time to call you out  
Well if you choose to go there  
It's not a competition now

Don't think that I will stay tonight  
It might be time to dim the lights  
Don't act dumb or terrified  
My lovely Annabelle

Don't know what you been on about  
My door to you was never shut  
That what love is all about  
My lovely Annabelle

You tried to make yourself feel better  
Tried to hide your pain with anger  
Let me promise one thing  
I never meant to let you down

Between some thoughts that hurt you  
And things you know that turn you on

Don't think that I will stay tonight  
It might be time to dim the lights  
Don't act dumb or terrified  
My lovely Annabelle

Don't know what you been on about  
My door to you was never shut  
That what love is all about  
My lovely Annabelle

Don't think that I will stay tonight  
It might be time to dim the lights  
Don't act dumb or terrified  
My lovely Annabelle

Don't know what you been on about  
My door to you was never shut  
That what love is all about  
My lovely Annabelle
