She did not want to drive
She did not want to fly
She did not want to wait
For a bus to come by

She did not want to hassle
She did not want to hurry
She didn't want to know
What is cost, don't worry

Chorus

Baby took a limo to Memphis
Seemed like the thing to do
Baby took a limo to Memphis
She did it because she wanted to

She was not looking back
She was looking good
She was not in the mood
To be knocking on wood

She knows what she wants
She knows how to get it
She knows what it takes
Just do it, don't regret it

The shortest distance between two towns
Is riding in a limo with the windows down

Don't ask why she's going
She might let you know
Don't ask when she's coming back
because she doesn't know

Don't let her fool you
She's nobody's fool
She knows what's tacky
She knows what's cool
