Chorus

Black Diamond Strings
Black Diamond Strings
Drinkin' W. Harper
Playin' Black Diamond Strings
Black Diamond Strings
Are like white flour and grits
You play Black Diamond Strings
æ...ause itæŠ all you can get

Black Diamond Strings on a Catalog Guitar
ThatæŠ pretty high cotton whoever you are
You break one you change one, thatæŠ as good as it
gets
You can play all year long on two or three sets

J.W. Crowell was a hell of a man
He played two nights a week in a hillbilly band
He played at the Ice House on Telephone Road
He played in the yard just to lighten his load

Chorus

Hey J.W play that frogline
Let Rodney sit in, hell, heæŠ goin' on nine
His fingers are bleedin' but heæŠ keepin' good time
Playin' Black Diamond Strings, heæŠ I never quit tryin'

Causette told æ...m both
You boys pack t up, itæŠ time to go home
We got church in the mornin' itæŠ comin' up dawn
DonæŠ make me say it again or læŠ gone
You can stay here forever, but youæŠ e gonna walk
home
