You look so good to me, here in this old saloon, way back in West Berlin, a bottle of white wine, white wine and you, a table made of wood and how I wish you would, fall in love with me. You look so good to me, standing out in the street, with your cheap fur on, or maybe your plastic raincoat, and your plastic shoes, they look good too, standing in the snow you're younger than you look. Fall in love with me, fall in love with me, how I wish you would, how I wish you would. The way your eyes are black, the way your hair is black, the way your heart is young, there's just a few like you, just the kind I need to fall in love with me, and you look so good, yeah you look so good. A bottle of white wine, a cigarette and you, here in this saloon, white wine and you. Fall in love with me, I wish you would fall in love with me, I wish you would fall in love with me, I wish you would fall in love with me, I wish you would fall in love with me, I wish you would fall in love with me (repeat).
