I had a friend named Bill Campbell he used to rob steal  
and gamble

And on the side he'd beg so he mopped up

Well I told ol' Billy shouldn't do but ol' Bill said that he  
knew it

So he started beggin' with a bucket instead of a cup

He's in the jailhouse now he's in the jailhouse now

Now ol' Bill fluffed his dove

When he wrote a tuxedo to the country club

He's in the jailhouse now

Now Bill had a gal named Saddle and she said have  
you seen Billy lately

No I don't believe that he's about

But ol' Saddle went down to the jail she it was just to  
take him his mail

Then she whispered sheriff please don't let him out

He's in the jailhouse now he's in the jailhouse now

It was while ol' Bill's away

Saddle's with the sheriff everyday he's in the jailhouse  
now

Well I remember the last election the prohibitionists  
were in action

Tryin' to elect themselves a president

Bill Canpbell and John Austin they rode from New  
Orleans to Boston

And they've got a bottle in every settlement

They're in the jailhouse now they're in the jailhouse now

Lord they caught them out by the railroad track

Stealin' a train to haul it back they're in the jailhouse  
now

[ yodel ]
