Too much workin'll make your back ache
Too much trouble'll bring you a heartbreak
Too much gravy'll make you fat
Too much rain'll ruin your hat
Too much coffee'll race your heart tick
Too much road'll make you homesick
Too much money'll make you lazy
Too much whiskey'll drive you crazy

Chorus

Too much just ain't enough
Too much ain't near enough
Breathin' 'bout the only thing
I do too much of ain't enough

Too much limo'll stretch your budget
Too much diet'll make you fudge it
Too much fluff'll make you show it
Too much pressure'll make you blow it
Too much onion'll make you weepy
Too much preachin'll make you sleepy
Too much Mexican food'll fill you
Too much honky tonk'll kill you

Chorus

Too much hot rod'll get you a ticket
Too much dog'll make you kick it
Too much hidin' out'll find you
Too much you-know-what'll blind you
Too much wrist watch'll make you hurry
Too much waitin'll make you worry
Too much smokin'll give you cancer
Too much cocaine ain't the answer

Chorus

Too much walkin'll wear your shoes out
Too much juice'll blow your fuse out
Too much time'll fill your hands up

Too much speed'll wire the band up
Too much chip'll bruise your shoulder
Too much birthday'll make you older
Too much map has always lost me
Too much fun has always cost me

Chorus
