Time has gone by, and people they change.
Somehow, I always thought that
We'd stay the same two kids
Who fell in love on that Autumn night...
Turns out I wasn't right.

I look into your eyes...
it's not the same.
You look into my eyes...
I never thought I'd say goodbye.

I said "I never would leave you."
I didn't mean to deceive you.
You said "I can't believe you,
I thought what we had was so true."
And all that I can say to you
Is that I'm truly sorry now.

And, now you're gone,
You're so far away.
Never accepted my apology
But, playing that game
Of make up, break up each night
Was ruining our lives.

You looked into my eyes...
So full of pain.
I looked into your eyes...
(I couldn't keep living a lie)
I said "I never would leave you."
I didn't mean to deceive you.
You said "I can't believe you,
I thought what we had was so true."
And all that I can say to you
Is that I'm truly sorry now.

Truly sorry now.
Truly sorry now.

I said "I never would leave you."
I didn't mean to deceive you.
You said "I can't believe you,

I thought what we had was so true."
And all that I can say to you
Is that I'm truly sorry now.

I said "I never would leave you."
I didn't mean to deceive you.
You said "I can't believe you,
I thought what we had was so true."
And all that I can say to you
Is that I'm truly sorry now.
