Can't deal with this today.
Another bill that I can't pay,
And several more are on their way.
It's finally driving me insane
Mistakes that I made in the past
Are back to bite me in the a**.
This week is not going my way,
And guess what...It's only monday.

But, in my dreams
I don't have to be responsible.
I can just be Me.
No stress, No strain.
No, nothing but fun.
I think I'll sleep
until the weekend comes.

I'm going to bed,
Please don't wake me up 'til friday night.
'Til Friday Night.

Can't deal with this again.
Another fight that I can't win.
It happens every now and then.
I'll close my eyes and count to 10.
And pray that she would go away
And let me do this job my way.
Work is something that I dread.
I should have stayed at home in bed.

Cause', in my dreams
I don't have to be responsible.
I can just be Me.
No stress, No strain.
No, nothing but fun.
I think I'll sleep
until the weekend comes.

I'm going to bed,
Please don't wake me up 'til friday night.
'Til Friday Night.
If you really are my friend,

You won't wake me up 'til friday night.
'Til friday night. Yeah!!
