I wish I had a dime for every bad time  
But the bad times always seem to keep the change  
You been all alone so you know what I'm saying  
And when all you can recall is the pain

Just you wait until tomorrow when you wake up with me  
At your side and find I haven't lied about nothing  
And I wouldn't trade a tree for the way I feel about you  
In the morning, anyhow I love you

And everyday it gets just a little bit better  
And half the getting there is knowin' where I been  
before  
I'm sure you understand 'cause I ain't your first man  
And when you feel like runnin' for the back door don't

Just you wait until tomorrow when you wake up with me  
At your side and find I haven't lied about nothing  
And I wouldn't trade a tree for the way I feel about you  
In the morning, anyhow I love you

Just you wait until tomorrow when you wake up with me  
At your side and find I haven't lied about nothing  
And I wouldn't trade a tree for the way I feel about you  
In the morning, anyhow I love you

Just you wait until tomorrow when you wake up with me  
At your side and find I haven't lied about nothing  
And I wouldn't trade a tree for the way I feel about you  
In the morning, anyhow I love you
