When I was a young man my daddy told me  
A lesson he learned, it was a long time ago  
If you want to have someone to hold onto  
You're gonna have to learn to let go

You got to sing like you don't need the money  
Love like you'll never get hurt  
You got to dance like nobody's watchin'  
It's gotta come from the heart if you want it to work

Now here is the one thing that I keep forgetting  
When everything is falling apart  
In life as in love, what I need to remember  
There's such a thing as trying too hard

You got to sing like you don't need the money  
Love like you'll never get hurt  
You got to dance like nobody's watchin'  
It's gotta come from the heart if you want it to work
