I like drinking whiskey, I like being straight
I like a voodoo spinners and I like live bait
I like a hundred miles an hour, I like Sunday driving too
I like being alone with me, I like being alone with you

Give me a bowl of chili, give me milk and toast
As long as you're dishing it out Lord, I'll take a little of
both

I could do with someone but I could do without
Sometimes you feel like dancing, sometimes like
sitting it out
I like staying at home and I like going to town
As long as I got a choice, I can't turn nothing down

Give me a bowl of chili, give me milk and toast
As long as you're dishing it out Lord, I'll take a little of
both

Put a little gravy on everything for me

Sometimes, I like to fly, sometimes, I have to crawl
Sometimes, I'm cool as ice, sometimes, I'm climbin' the
wall
Sometimes, it's just the money, sometimes, it's just a
game
Six of one and half a dozen of another is all the same

Give me a bowl of chili, give me milk and toast
As long as you're dishing it out Lord, I'll take a little of
both

Give me a bowl of chili, give me milk and toast
As long as you're dishing it out Lord, I'll take a little of
both
