Well the sky was blacker than a funeral suit
Hotter than a depot stove
Hide in the cellar
Here comes Amarillo
Blowin' down the road

Ya got yer hail stones big as hen eggs boy
Yer clouds as green can be
Old mother natures raisin hell
She parked a pickup in a tree

Tornado time in Texas
Take the paint right off of your barn
Tornado time in Texas
Blow the tattoo off your arm

Well when pigs fly, no I mean really fly
You can bet that it's blowin' hard
Uncle Clarence was sittin' in the outhouse
Now he's sitting in the yard
Granny's got the barn cat under her arm
She's got a dish pan over her head
Daddy's countin' kids four five six
Better bring a loaf of bread

Tornado time in Texas
Take the paint right off of your barn
Tornado time in Texas
Blow the tattoo off your arm

Hidin' in the cellar with the cannin' jars
Sounds like a train up top
Hold your breath and peek outside
To see what we ain't got
It'll take your wheat, it'll take your corn
Even take your cotton balls
Suck red river just as dry as a bone
Dump it on Wichita falls

Tornado time in Texas
Take the paint right off of your barn
Tornado time in Texas

Blow the tattoo off of your arm
