You work and work for years and years, you're always
on the go
You never take a minute off, too busy makin' dough
Someday, you say, you'll have your fun, when you're a
millionaire
Imagine all the fun you'll have in your old rockin' chair

Enjoy yourself, it's later than you think
Enjoy yourself, while you're still in the pink
The years go by, as quickly as a wink
Enjoy yourself, enjoy yourself, it's later than you think

You're gonna take that ocean trip, no matter, come
what may
You've got your reservations made, but you just can't
get away
Next year for sure, you'll see the world, you'll really get
around
But how far can you travel when you're six feet
underground?

Your heart of hearts, your dream of dreams, your
ravishing brunette
She's left you and she's now become somebody else's
pet
Lay down that gun, don't try, my friend, to reach the
great beyond
You'll have more fun by reaching for a redhead or a
blonde

Enjoy yourself, it's later than you think
Enjoy yourself, while you're still in the pink
The years go by, as quickly as a wink
Enjoy yourself, enjoy yourself, it's later than you think
