SEPTEMBER IN THE RAIN

Guy Lombardo  
(Warren / Dubin)

The leaves of brown came tumblin' down, remember  
In September in the rain  
The sun went out just like a dying ember  
That September in the rain

To every word of love I heard you whisper  
The raindrops seemed to play a sweet refrain

Though spring is here, to me it's still September  
That September in the rain

----- harmonica solo -----

To every word of love I heard you whisper  
The raindrops seemed to play a sweet refrain

Though spring is here, to me it's still September  
That September in the rain  
That September in the rain
