CHORUS

Take me back baby, try me one more time.
Take me back baby, try me one more time.
If I don't make ya love me, ain't no fault of mine.

I need your lovin' baby, don't leave me all a-lone.
Without you I'll go crazy. I want you for my own.
On my bended knees I'm beggin' you please, please,
please

(Chorus)

Mmm, I love cake and candy, makes me say I do.
But I'd give up cake and candy for one sweet kiss from
you.
On my bended knees I'm beggin' you please, please

(Chorus)

Now you've got my devotion. Put me to the test.
I 'll swim the deep blue ocean, won't even stop to rest.
On my bended knees I'm beggin' you please, please

(Chorus)
