Chorus

When I get to glory, Iâ€™m gonna sing, sing, sing
Iâ€™m gonna let the hallelujahs ring
Iâ€™m gonna praise my blessed saviourâ€™s name
When I get to glory, Iâ€™m gonna sing, sing, sing.

In this world of sorrow, Iâ€™ve seen trouble and woe
When I get to glory Iâ€™ll see no more
For I know my prayers have not been in vain
When I get to glory, Iâ€™m gonna sing, sing, sing.

Sometimes I get so weary inside
Then I recall how my jesusâ€™ died
Up there I know, thereâ€™ll be no pain
When I get to glory, Iâ€™m gonna sing, sing, sing.

Chorus

Up there no tears will blind my eyes
And Iâ€™ll walk along by my jesusâ€™ side
Iâ€™ll meet my loved ones all once again
When I get to glory, Iâ€™m gonna sing, sing, sing.

Chorus
