I remember how it burns,
How it burns,
slowly like a ciggeratte,
It's like water in my lungs,
in my lungs,
coz I'm drowning in my regret,

every day it's getting worse,
Like a curse,
I've become an insomniac,
and I just can't get over it...

If only I could wake up,
and not breathe yeeeaah
i wanna know how it feels,
not to need yaaaa

I wish that I could forget you,
could forge-het you
and wake up, and wake up and wake up
with amnesia

these memories are like a stain,
like a stain,
and it's branded on my brain,
oh why won't it fade away,
fade away?

coz every stranger has your face,
and if i didn't know my name,
it's okaayy
girl as long as you're erased,
cuz i just can't get over it

if only i could wake up,
and not breathe yeaah
i wanna know how it feels
not to need yaaaa

i wish that i could forget you,
could forge-het you
and wake up, and wake up, and wake up

with amnesia

who said it's better to be loved,
than to have never loved at all?
they were wrong, they were wrong!
coz nothing will ever compare

if only i could wake up,
and not breathe yeaaaah
i wanna know how it feels not to need yaaa
wish that i could forget you
forge-het you
and wake up and wake up and wake up
with amnesia yeah yeaah yeaaaah
ooh yeah
i wish that i could forget you
forge-het youu
and wake up and wake up and wake up

with amnesia.
