[Guy]

Hey, Hey, (Hey yeah yeah) Ohhhhh Yeah

I'm saying sorry in advance, cos this won't always go to plan

Though we don't mean to take our love for granted

It's in our nature to forget what matters, yeah

[Jordin]

And when the going is getting tough

And we're all about giving up

Things that we never thought we'd gonna say, gonna say them

Things that we never thought we'd play, gonna play them

[Guy]

It ain't perfect (perfect), but it's worth it (worth it)

[Both]

And it's always getting better

[Jordin]

It's gonna take some (take some) time to get it right

[Both]

Cause I'm still learning the art of love

I'm still trying to not mess up

So whenever I stumble let me know

[Jordin]

You need to spell it out

[Guy]

You need to spell it out

[Jordin]

You need to spell it out

[Guy]

You need to spell it out for me

[Both]

Cause I'm still trying to learn the art of love

[Guy]

Hey, Hey, (Hey yeah yeah) Ohhhhh Yeah

If I forget to get the door (get the door)

Remind you that you're beautiful
I know my detail requires more attention
If I ever hurt you it's not my intention

[Jordin]
Cause we're gonna make (gonna make) our mistakes
(our mistakes)
Find out how much your heart can take
But I know that (i know that) you got my back (you got
my back)
And baby I got yours

[Both]
Cause I'm still learning the art of love
I'm still trying to not mess up
So whenever I stumble let me know

[Jordin]
You need to spell it out
[Guy]
You need to spell it out
[Jordin]
You need to spell it out
[Guy]
You need to spell it out for me
[Both]
Cause I'm still trying to learn the art of love

[Jordin]
Sometimes I'm gonna miss
[Guy]
I'm still learning how to give
[Jordin]
I'm not giving up
[Guy]
I'm learning how to love
[Jordin]
Learning how to loveâ€¦

[Both]
Cause I'm still learning the art of love
I'm still trying to not mess up
So whenever I stumble let me know
[Jordin]
You need to spell it out
[Guy]
You need to spell it out
[Jordin]
You need to spell it out
[Guy]
You need to spell it out for me

[Both]

Cause I'm still trying to learn the art of love

[Jordin]

Still learning (art of love)

Still learning (art of love)

Still learning (art of love)

[Guy]

I'm still trying to learn the art of love

[Jordin]

Still learning, I'm still learning (art of love)

Still learning (art of love)

[Both]

I'm gonna get it sometimes, cause I'm still learning

[Jordin]

Still learning (art of love)

Still learning (art of love)

Still learning (art of love)

[Both]

The art the art the art of love
