On a perfect day
I knew that I can count on you
When that's not possible
Tell me can you weather the storm
Cause I need somebody who will stand by me
Through the good times and bad times
She would always, always be right there

Chorus:

Sunny days everybody loves them, tell me baby
Can you stand the rain
Storms will come, this we know for sure
(This we know for sure)
Can you stand the rain

Love unconditional
I'm not asking this of you
See we gotta make it last
I'll do whatever needs to be done
Cause I need somebody who will stand by me
Through the good times and bad times
She will always, always be right there

Sunny days everybody loves rain, tell me
Can you stand the rain
Storms will come (oo yes it will)
This we know for sure
(This we know for sure)
Can you stand the rain

Can you stand the rain
Can you stand the rain
Can you stand the rain
(Repeat to fade)
