Ain't gotta worry about the sun
We'll pretend it won't rise
Don't bother setting the alarm
We'll be awake the whole time
Got a beauty that makes a grown man cry
It's the only time I feel alive

Ooh, and I just wanna throw these
Sheets over our head
And run around this paradise, paradise

I must've died and gone to heaven
It's so incredible
So please don't ever end, don't ever end
I hope this feeling last forever
'Cause I'm in heaven
So please don't ever end, don't ever end

You ought've turned off your mind
But still taking everything in
Or just listen to your body baby
(Cause you know it's gone away)
And baby there ain't no rules tonight
We can go wherever you feel like

Ooh, cause I just wanna throw these
Sheets over our head
And run around this paradise, paradise

(Baby) I must've died and gone to heaven
It's so incredible
So please don't ever end, don't ever end
I hope this feeling last forever
'Cause I'm in heaven
So please don't ever end, don't ever end

Your light is shining so bright
Can't even open my eyes
Got our wings wrapped around each other
It's getting so warm inside
And I just wanna fly with you

Maybe I could lie with you
Every minute of every day
Away

(Baby I) I must've died and gone to heaven
It's so incredible
So please don't ever end, don't ever end
I hope this feeling last forever
'Cause I'm in heaven
So please don't ever end, don't ever end

I must've died and gone to heaven
It's so incredible
So please don't ever end, don't ever end
I hope this feeling last forever
'Cause I'm in heaven
So please don't ever end

So please don't ever end, don't ever end
