I'm gonna wait till the midnight hour  
That's when my love comes tumbling down  
I'm gonna wait till the midnight hour  
When there's no one else around  
I'm gonna take you girl and hold you  
And do all the things I told you  
In the midnight hour  
Yes I am  
Ooh yes I am  
One more thing I just want to say right here

I'm gonna wait till the stars come out  
And see that twinkle in your eyes  
I'm gonna wait till the midnight hour  
That when my love begins to shine  
You're the only girl I know  
That can really love me so  
In the midnight hour  
Oh yeah ..In the midnight hour  
Yeah, alright, play it for me one time

I'm gonna wait till midnight hour  
That's when my love comes tumbling down  
I'm gonna wait, way in the midnight hour  
That's when my love begins to shine  
Just you and I...Ooh Baby  
Just you and I  
Nobody around baby, Just, you and I  
I'm gonna hold you, In my arms
