I nearly gave up
And hung up the gloves
Cause I had nothing worth fighting for
Just when I stopped lookin'
That's when you came knockin'
And thank God I opened that door
Yeah this time I'm holdin' on

Cause honey I know
Cause I feel it when we touch
And it's only getting deeper
And it's so clear
Cause I just can't get enough
And I only had to meet ya
And I knew I'd found a keeper

What did I do to deserve
This sweet kind of love
It's hard to imagine life without
So from here on in
I'll do everything
To make sure you never ever doubt
That I'll never ever let you go

Cause honey I know
Cause I feel it when we touch
And it's only getting deeper
And it's so clear
Cause I just can't get enough
And I only had to meet ya
And I knew I'd found a keeper

It was quick
And it hit me like a ton of bricks
But I knew right away
That you're here to stay for sure
When you know
You just know
And you can't help but let it show
My heart's on my sleeve
It's easy to see that I am yours

Honey I know
Cause I feel it when we touch
And it's only getting deeper, yeah yeah
And it's so clear
Cause I just can't get enough
And I only had to meet ya

Cause honey I know
Cause I feel it when we touch
And it's only getting deeper, yeah
And it's so clear
Cause I just can't get enough
And I only had to meet ya
And I knew I'd found a keeper
