From the very second baby I already knew  
I'll end up head over heels in love with you  
Turns out I'm right

I couldn't tell if you were feeling what i felt for you  
So i nonchalantly tried to play it cool  
I'm tired of lying

But i get lost when I look in your Eyes  
Cos my love is so hard to disguise

*[Chorus]*

Baby I can't help this feeling  
It's a fight that I know I can't win  
There's nothing i can do  
So I'm giving up tonight  
Cos baby you're my kryptonite

Cos i can't stop thinking of you  
I'll be trying not to love you  
I'm helpless, girl it's true

So I'm giving up tonight  
Cos baby you're my kryptonite

You're love is like a pendulum that's swinging side to  
side  
Got me in a spell and now I can't deny  
Girl I'm hypnotised  
Cos baby it's the same tomorrow, yesterday, tonight  
And i swear that nothing's ever felt so right  
I'm yours for life

I get lost when I look in your eyes  
Cos my love is so hard to disguise

*[Chorus]*

I've tried so hard to let you go  
But I can't escape the way I feel inside  
Way beyond denial that we are meant to be in love  
So girl I give up, yeah

*[Chorus]*
