You possess a beauty deep within  
That soothes me when I'm around you  
Your skin is butterscotch on porcelain  
My sweet tooth is glad I found you  
Now I am in search of words to sing  
A melody fit for a queen  
As sweet as what I'm feeling in my heart

Like sugar on the hot black berry  
Different than the ordinary  
You're the sweetest berry on the vine  
Like cherries deep in melted chocolate  
Caramel with whipped cream toppin'  
You're the sweetest berry on the vine

Never had I seen a perfect face  
Till my eyes fell upon you  
And never had I felt true love's embrace  
Until the day I held you  
Now I am in search of words to sing  
A melody fit for a queen

As sweet as what I'm feeling in my heart

Like sugar on the hot black berry  
Different than the ordinary  
You're the sweetest berry on the vine  
Like cherries deep in melted chocolate  
Caramel with whipped cream toppin'  
You're the sweetest berry on the vine

And when I think of how  
I wonder  
I think of how I am when I'm with you  
Cuz you're the sweetest berry on the vine

Like sugar on the hot black berry  
Different than the ordinary  
You're the sweetest berry on the vine  
Like cherries deep in melted chocolate  
Caramel with whipped cream toppin'  
You're the sweetest berry on the vine
