"S" is for save me  
"T" is for take it slow  
"O" is for oh, no  
"P" is for please, please don't go

When we played tag in grade school  
You wanted to be it  
When chasin' boys was just a fad  
You crossed your heart, you'd quit  
When we grew up you traded  
Your promise for my ring  
Now just like back in grade school  
You're doin' the same old thing

Stop, the love you save may be your own  
Darlin' take it slow  
Or some day you'll be all alone  
You better stop  
The love you save may be your own  
Darlin' look both ways before you cross me  
You're headed for a danger zone

I'm the one who loves you  
I'm the one you need  
Those other guys will get you down  
As soon as they succeed

Isaac said he kissed you, beneath the apple tree  
When Ritchie held your hand he felt electricity

Stop the love you save may be your own, please,  
please  
Oh stop you, stop you baby you'll be all alone  
Oh stop you, stop you baby you'll be all alone
