How can you just leave me standing  
Alone in a world that's so cold?  
Maybe I'm just too demanding  
Maybe I'm just like my father, too bold

Maybe you're just like my mother  
She's never satisfied  
Why do we scream at each other?  
This is what it sounds like

When doves cry  
This is what it sounds like  
When doves cry

Dig if you will the picture  
Of you and I engaged in a kiss  
The sweat of your body covers me  
Can you, my darling?  
Can you picture this?

Dream if you can a courtyard  
An ocean of violets in bloom  
Animals strike curious poses  
They feel the heat  
The heat between me and you

How can you just leave me standing  
Alone in a world so cold?  
Maybe I'm just too demanding  
Maybe I'm just like my father, too bold

Maybe you're just like my mother  
She's never satisfied  
Why do we scream at each other

This is what it sounds like  
When doves cry

Touch if you will my stomach  
Feel how it trembles inside  
(Feel how it trembles inside)  
You've got the butterflies all tied up

Don't make me chase you  
Even doves have pride

How can you just leave me standing  
Alone in a world that's so cold?  
(A world that's so cold)  
Maybe I'm just too demanding  
Maybe I'm just like my father, too bold

Maybe you're just like my mother  
She's never satisfied  
(She's never satisfied)  
Why do we scream at each other?  
This is what it sounds like  
When doves cry

How can you just leave me standing  
Alone in a world that's so cold?  
Maybe I'm just too demanding  
Maybe I'm just like my father, too bold

Maybe you're just like my mother  
She's never satisfied  
Why do we scream at each other?  
This is what it sounds like  
When doves cry
