Follow the fold and stray no more
Stray no more, stray no more
Put down the bottle and we'll say no more
Follow, follow
Before you take another swallow

Follow the fold and stray no more
Stray no more, stray no more
Tear up your poker deck and play no more
Follow, follow, the fold

To the meadows, where the sun shines
Out of the darkness and the cold
And the pain and shame in which you wallow

Follow the fold and stray no more
Stray no more, stray no more
If you're a sinner and you pray no more
Follow, follow, the fold
