I got the horse right here, the name is Paul Revere
And here's the guy that says that if all weather's clear
Can do, can do, this guy says the horse can do
If he says the horse can do, can do, can do

I picked the Valentine, 'cause on the Morning Line
The guy has got him figured at five to nine
But take the Epitaph, he went to buy a half
According to this here in the Telegraph

For Paul Revere I'll bite, I hear his foot's all right
Of course it all depends if it rained last night
I know it's Valentine, the morning works were fine
Besides, the jockey's brother is a friend of mine

And just a minute, boys, I got the feedback's choice
It says his great grandfather was Aqua Poise
I tell you Paul Revere, now this is no bum steer
It's from a handicap and that's real sincere

I go for Valentine 'cause on the Morning Line
The guy has got him figured at five to nine
So make it Epitaph, he went to buy a half
According to this here in the Telegraph

Epitaph, Valentine, Paul Revere
I got the horse right here
