There's a whole lot of lo-ovin' goin' o-o-on in-i my hear-
eart

It's a fee-eelin' I'm feelin' through and throu-ou-ough

There's a whole lot of missin' everytime we're apart

There's a whole lot of lovin' just for you

Bigger than the Mississippi River near the ocean (love
for you)

Brighter than the desert and the Utah sky (it's for you)

Stronger than the dynamo's of Hoover Dam in motion

You supply the reason why-y

There's a whole lot of lovin' goin' on in my heart

It's a fee-eelin' I'm feelin' through and throu-ou-ough

There's a whole lot of missin' everytime we're apart

There's a whole lot of lovin' just for you

Warmer than the sun that warms the corners of
Kentucky

Taller than a California Redwood tree

Richer than a forty-niner miner strikin' lucky

He was never rich as me-ee

There's a whole lot of lovin' goin' on in my heart

It's a fee-eelin' I'm feelin' through and throu-ou-ough

There's a whole lot of missin' everytime we're apart

There's a who-ole lot of lovin' just for you

Like a highway that goes on and on

And never ends

Like a fire that glows on and on

And it never e-e-e-ends

There's a whole (whole lot of) lot of lovin' (lovin' goin')

Goin on in my heart (lovin' goin' on)

It's a fee-eelin' I'm feelin' through and throu-ou-ough,
(oh yes I feel it)

There's a whole lot (whole lot of) of missin' (lot of
missin')

Everytime we're apart (everytime we're apart)

There's a whole lot of lovin' just for you-ou-ou

There's a whole lot o' lovin' - just for - you ...
