Yeah, Girl
I'm been searching so long
In this world
Trying to find someone
Who could be
What my picture of love was to me
Then you came along

When I saw you
I knew you were the one
The love that I'd been dreaming of

'Cause I've been waiting for you (waiting for you)
All my life
For somebody who (somebody who)
Makes me feel the way I feel
When I'm with you baby
Have you been waiting too
'Cause I've been waiting for you

Oh girl
I've been saving my love
All this time
'Cause I knew someday
I would find
The one that I've loved
For so long in my mind

From the moment
[That I looked into your eyes
I saw the girl
I've loved all my life

'Cause I've been waiting for you (waiting for you)
All my life
For somebody who (somebody who)
Makes me feel the way I feel
When I'm with you baby

Have you been waiting too
'Cause I've been waiting for you

Now that I found you
I just can't let you go
No, no, no, no, no (Ohhhh...)
Oh there's just one thing
I want you to know
Girl I love you so

I've been waiting for you
All my life, waiting for you
I've been waiting for you
All my life, waiting for you

When I saw you
I knew you were the one
The love that I'd been dreaming of

'Cause I've been waiting for you (waiting for you)
All my life
For somebody who (somebody who)
Makes me feel the way I feel
When I'm with you baby
Have you been waiting too
'Cause I've been waiting for you

I've been waiting for you
All my life, waiting for you
I've been waiting for you
All my life, waiting for you
I've been waiting for you
All my life, waiting for you
