I'm Americanized  
9 tons of crack a day  
I'm Americanized  
It's up my butt, the USA  
I'm Americanized  
All you people will worship us-  
I'm Americanized  
You worship me but still- you suck...

USA - I'm Americanized  
USA - I'm Americanized

I'm Americanized  
Death to those who wear paisley  
I'm Americanized  
Plucking babies heads like daisies  
I'm Americanized  
Your world is full of hate and filth  
I'm Americanized  
I'll rape your dog with a plow...

USA - I'm Americanized  
USA - I'm Americanized

Drugs and guns, drugs and guns  
C'mon man, let's go kill someone  
Cheap fuckers, sheep fuckers  
You're all cheap fuckers...
