Dead..
Baby Dick Fuck
Baby Dick Fuck
Take your fat tongue!
And curl it into a 'U',
You take and unborn child who knows not what you do
[Chorus:]
Baby Dick Fuck
Baby Dick Fuck
Baby Dick Fuck -
Baby Dick Fuck -
Baby dick Fuck
Baby Dick Suck
Baby Dick Fuck
Baby Dick Fuck
There's no excuse, give him the goose
With a push and then a shove
Teach that child how grown-ups love
[chorus]
Fuck Fuck Suck Suck Fuck Fuck
I haunt the malls and the
Burger Kings I am the giver of pain
Splitting the rumps of the wicked
Only the nipples remain *[x2]*
The cherub screams "NO" as I move to defile

Our bodies entwine in a puddle of bile
Many years later we'll look back and smile
As we thrash about on the urine-drenched tile
The delivery room is as still as a tomb
I fuck the child while its still in your womb
The child is now dead and you start to blubber
Fuck your warm corpse with your child as a rubber
Take your fat tongue, ram it up her bung
Her face is packed with cum We've only just begun
From your head, your eyes I pluck
Give you savage socket fuck
Work my wand of black obsidian
End up like a Branch Davidian
Baby Dick Fuck
Baby Dick Fuck
Baby Dick Fuck *[x a lot]*
