Everything that ever was
And all that there will ever be
Flesh and blood and stick and stone
All is laid to waste by me

I crush you as I would a fly
I kill you and I watch you die
Destroying everything you cherish
Masturbating as you perish

Crush kill destroy
Crush kill destroy
Destroy

I was first and shall be last
Slaying all who cross my path
Toppling your gleaming towers
Then bathing you in golden showers

I crush you as I would a fly
I kill you and I watch you die
Destroying all I find offending
Devastation never ending

Crush kill destroy
Crush kill destroy
Crush kill destroy
Crush kill destroy
