Damnation to tame to raging wanderlust
That surges in my thighs
I'll summon chaos legions
From the Kretek nebula

Watch the lard fields glisten
On the shores of Vulva-core
See the sled of Nebulon
Risen to the fore

The myriad delights
Asgardian nights
The heavens unclog
Damnation under God
Agape and agog
Damnation under God

Desecrate the pleasure barge
Of Vaga-vomit way
Go search for my father
On the planet of the gays

Seek the fiend named Dr. Skull
Join him in his wars
Go and find my mother
On the planet of the whores

Interbreed with mulaks
To create a master race
Scourge the cliffs of Cara
With an image of my face

Tame and acid dragon
From the caves of Khaza-nix
Finally obliterate Flab-quarv six

The Aztec delights
Vampires in tights
The heavens unclog
Damnation under God
Agape and agog
Damnation under God

Damnation, damnation
Damnation, damnation
Under God
