Oh  
I  
Am  
Fuckin' an animal!

Fuckin' an animal  
Holdin' on the horn  
Fuckin' an animal  
I'm involved with porn  
Fuckin' an animal  
Sure is nice and warm in here

In my animal  
Drinkin' 50 beers  
Fuckin' an animal  
Blowin' 50 steers  
Fuckin' an animal  
Oh, I'm a fuckin' queer  
Fuckin' an animal

Didn't need  
to take her on a date  
Just had  
To stand here on a crate  
No talking, no torment  
No long term commitment  
just me and my animal  
getting my dick bent

Oh animal  
Lovely animal  
nnnnnyaaa!!

Animal  
Didn't have to say please  
Fuckin' an animal  
With Legionare's disease  
Fuckin' an animal  
Damn hard on the knees!  
Fuckin' an animal

Animal!  
Animal fucker on the loose  
Fuckin' an animal  
I'll go from dog to goose  
Fuckin' an animal  
One time I fucked a moose  
Fuckin' an animal

Now the animal's in pain  
It's in pain, it's in pain, it's in pain  
Terrible Pain!  
But now  
It starts  
To rain  
But I'm still  
The same

Meet my animal  
animal  
oh animal

Oh Animal, animal, animal, animal

Animal  
Not proud of what I do  
Fuckin' an animal  
I had a great time at the zoo  
Fuckin' an animal  
Cause you  
Won't let me  
Fuck  
You

ANIMAL!

I'm not willing to spend any more time on that song.
