Cruising through town  
Slack-jawed tongue out  
You're a moron  
Turn on the radio

Afraid  
Fire up that dim bulb  
And let some coke  
Fuck piss into your ear

Hit 'em with a left  
Hit 'em with a right  
Hit 'em with a left  
Now fight, fight, fight

Hit 'em with a left  
Hit 'em with a right  
Hit 'em with a left  
Now fight, fight, fight

This is a white world  
And yeah it sucks  
Sheep-fucking, turd-kicking  
Sow-sucking

Rednecks make me sick  
Making hate babies  
And worrying to death  
What I do with my dick

Hit 'em with a left  
Hit 'em with a right  
Hit 'em with a left  
Now fight, fight, fight

Hit 'em with a left  
Hit 'em with a right  
Hit 'em with a left  
Now fight, fight, fight
